Golf season is just around the corner!! Clearing #5 Green

The search for General Manager and a Clubhouse Manager for the 2022 season is still underway and hopefully will be completed soon.

To keep up with the rising cost of expenses the board of directors has decided to increase memberships by \$10 for each adult member. The board felt it is wiser to make small increases instead of waiting and then hit the membership with an increase of \$50 or more in one season. Just a reminder that the golf season will run from January 1, 2021 to January 1, 2022. Annual dues need to be paid by March 1, 2022. If this creates a hardship, please feel free to contact the pro shop.

At this time we still have our deal with Shoshone (Big Creek) golf course in Idaho to eliminate green fees for all members in good standing. It looks like this plan will be in effect for the 2022 golf season, if new management is in agreement

To better communicate with our members, please fill out the enclosed membership form completely and return by mail or e-mail. This helps us to keep you updated throughout the year about special events, tournaments, league information, and pro shop specials. We also regularly update our website, www.riversbendgolf.net, and our Facebook page with news and information.

We appreciate your cooperation and support on this matter Thank you. If you have any questions, please contact us at the clubhouse, 827-3438, or email riversbendgolf@blackfoot.net.
